Description:

Boo! books are a delightfully entertaining series of peek-a-boo books for kids who are inquisitive. Each book has four secret sliders for children to pull out, including an extra large slider on the back cover. These books have simple rhymes that invite little ones to find out whos hiding by pulling out the slider. The charming, whimsical text and gorgeous photography combine to make these cute books highly entertaining for babies and children.

Very sturdy, colorful, and fun. Great pictures and sturdy pull outs. A lot of the books with flaps and other pull out features just dont hold up as well as the Boo books. We get this one out at least a couple times a day (Yes, I know it by heart!) and it has held up very well to our fifteen month old granddaughters demands! Had this one for four months, and its still going strong.
